CAOS

Arredobagno Italiano

Una superficie omogenea, una geometria rettangolare con gli angoli arrotondati: Plana è un raffinato gioco cromatico e di superfici, di campi di colore che si valorizzano a vicenda. Infiniti moduli e colori omogenei sui quali applicare volendo anche comodi portasalviette. È declinato nelle misure 600x1800, 600x1500, 500x1800, 500x1500, 800x800 e orizzontale 1200x600 mm.

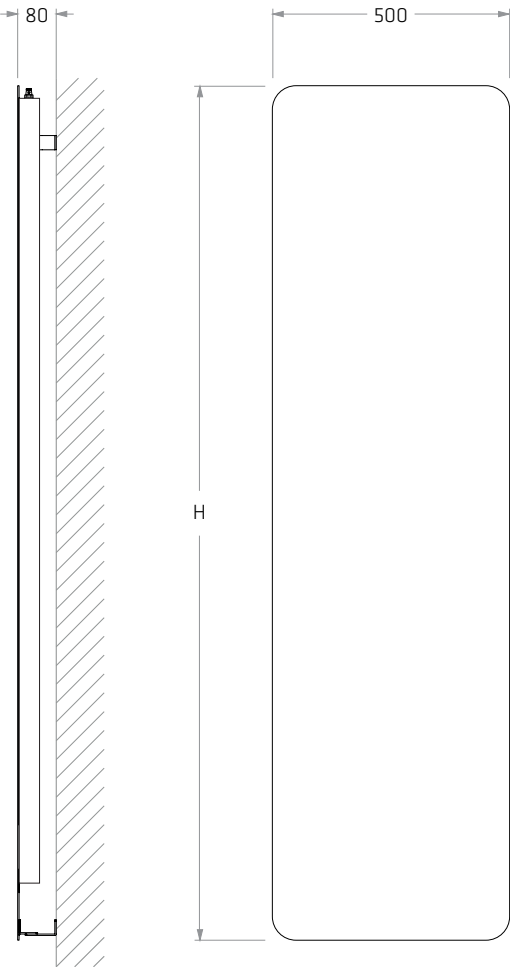

A smooth surface, a rectangular geometry with rounded corners: Plana is a refined play on chromatics and surfaces, on blocks of colour which enhance each other. Countless modules and blocks of colour to which handy towel rails can also be added. The vertical version is available in sizes 600x1800, 600x1500, 500x1800, 500x1500, 800x800 and the horizontal version 1200x600 mm.
