

SIPARIO

Design Paolo D'Arrigo

CAOS

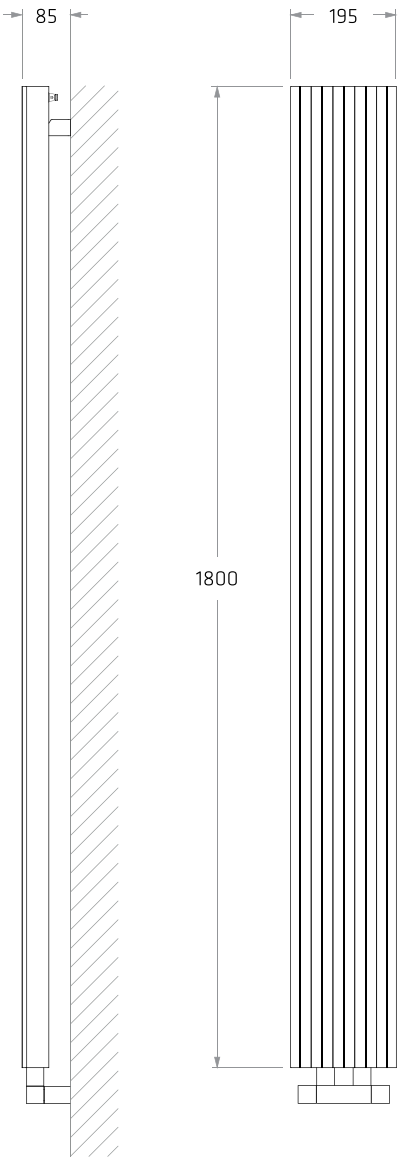

Arredobagno Italiano

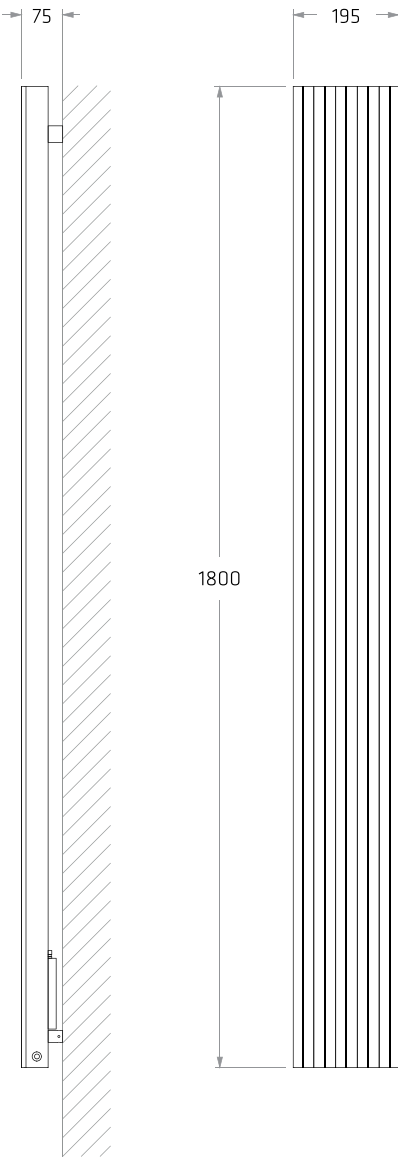

Si cala nella scena dell'ambiente domestico come un elemento architettonico che arreda e riscalda. Sipario si articola in un elegante profilo dal disegno tridimensionale che crea giochi di luce e profondità, trasformando la parete in un fondale dinamico e scenografico. Disponibile in diverse dimensioni e finiture, si integra in spazi contemporanei con carattere e leggerezza.

It steps onto the stage of the domestic space as an architectural element that furnishes and heats. Sipario features an elegant, three-dimensional profile that creates plays of light and depth, transforming the wall into a dynamic and theatrical backdrop. Available in various sizes and finishes, it integrates into contemporary interiors with both character and lightness.
